Once Upon a Time in Northern Ireland

SERIES PREMIERE

MON Aug 28 | 9p

This five-part series weaves together the personal stories of ordinary men, women and children who were drawn — both willingly and unwillingly — into a conflict that spanned over 30 years. The series mixes extraordinary archival footage and emotionally compelling first-person testimonies to create an intimate, multigenerational portrait of Northern Ireland's past, present and future, with an emphasis on understanding and empathy for all points of view.

Chihuly - Roll the Dice: The Making of Rotolo

SAT Aug 5 | 6:30p

Seattle artist Dale Chihuly and his team test the limits of working in the glass medium as they pioneer “a new creative concept.” This documentary depicts Chihuly’s five-year creation of “Rotolo.” “Rotolo,” the Italian word for coil, is a series of large-scale sculptures twisting upward toward the sky. These impressive pieces required as much as 140 pounds of glass, and nearly 17 people at work on each labor-intensive project.
