Three Chaplains

MON Nov 6 | 10p

Upholding the First Amendment is not just part of their job description, it is highly personal. Go inside the U.S. armed forces to see how Muslim chaplains vow to protect the right of every service member to practice their faith freely.

Psst, local spotlight! One of the chaplains featured in the program, Chaplain Khallid Shabazz, is based at Joint Base Lewis-McChord in Washington. The film features footage of Shabazz's work there.

N Native Ball: Legacy of a Trailblazer

TUE Nov 21 | 7:30p

Annually, nearly 5,000 high school girls' basketball players earn a full-ride Division I scholarship. In 1992, only one was Native American: the Blackfeet Nation's Malia Kipp. Living in two worlds presented challenges, and so did the pressure to succeed as a University of Montana Lady Griz. Through the support of her family and community, she carried the burden with resilience, grace and grit. Described by her Chief as "a warrior," she blazed a trail – and heroic legacy – for other Native American girls to follow.
