INTRODUCTION

Cascade Public Media “CPM” (and affiliates) is committed to fostering, cultivating, and preserving a culture of diversity and inclusion. Our human capital is our greatest asset. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that our employees invest in their work represents a significant part of our culture, reputation, and organizational achievements. We embrace and encourage our employees’ differences and those characteristics that make our employees unique. Furthermore, we seek to capitalize on the diversity of our people and the inclusion of their ideas and solutions to meet the needs of our diverse viewers, members, partners, boards, and donors.

CPM’s Equal Opportunity Employment policy and diversity initiatives are applicable to our practices and policies on recruitment and selection; compensation and benefits; professional development and training; promotions; transfers; social programs; reductions in force; terminations; and the ongoing development of a work environment built on the premise of equity that encourages and enforces:

- Respectful communication and cooperation between all employees.
- Shunning of favoritism or other exclusionary practices.
- Teamwork and employee participation that represents the diversity in our workforce.
- Work/life balance through on-going efforts to accommodate employees’ varying needs.
- Employer and employee contributions to the communities we serve to promote a greater understanding and respect for the diversity.

All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored and participative events.

Any employee found to have exhibited any inappropriate conduct or behavior against others that constitutes discrimination may be subject to disciplinary action, up to and including termination.

Employees who believe they have been subjected to any kind of discrimination that conflicts with the organization’s policies should seek assistance from their supervisor or the Human Resources Director.
