The Brain with David Eagleman

PBS Arts Fall Festival

The Otherside
OUR IDENTITY AS A REGION is defined by many things, including our robust arts scene. Support for the arts is a cornerstone of KCTS 9, so we’re excited to premiere the fifth season of PBS Arts Fall Festival (October 9). You’ll have a front-row seat to brilliant performances from the stage, screen and pop culture. (See the feature on page 14 for details.)

We’ve enjoyed a special relationship with legendary artist Dale Chihuly over the years. In 1998, KCTS 9 produced Chihuly Over Venice, the very first high-definition film broadcast nationally, launching a new era in television. Pilchuck: A Dance with Fire (October 2) shows how the small school founded by Chihuly and his art school friends evolved into an international center for glass art.

The Otherside (October 12) spotlights a different side of Northwest arts and culture. The film—co-produced by four Northwest filmmakers, including Olympian J.R. Celski—features local hip-hop artists like Macklemore who are redefining the genre and exploding onto the national scene.

From local coverage of the Northwest arts scene to the best of Broadway and beyond, KCTS 9 is your ticket to the finest in arts and culture. Your support makes this possible. Thank you!

Hugo and David were born on opposite ends of the oil pipeline. Pumpkin Cheesecake with Gingersnap Crust

SERVES 8

2     8-ounce packages cream cheese, softened
½ cup white sugar
½ teaspoon vanilla extract
2     large eggs
½ heaping cup pumpkin puree
1     teaspoon pumpkin pie spice
½ cup frozen whipped topping, thawed, for garnish (optional)

GINGERSNAP CRUST
3 ½ cups gingersnap crumbs
5-6 tablespoons unsalted butter, melted

Preheat the oven to 350 degrees. In a large bowl combine the gingersnap crumbs with half the melted butter. Mix thoroughly, and add butter, a little at a time, just until the crumbs retain a shape, not too dry or wet. Press the crumbs firmly over the bottom and sides of a 9-inch pie pan, and bake for 10 to 12 minutes, until the crust starts to brown and become fragrant. Set aside and let cool while you prepare the filling. Lower oven heat to 325 degrees.

In a large bowl, combine the cream cheese, sugar and vanilla. Beat until smooth. Blend in the eggs, one at a time. Remove 1 cup of the cheesecake batter and spread into the bottom of prepared crust; set aside. Add the pumpkin puree and pie spice to the remaining batter and stir gently until well blended. Carefully spread over the batter in the crust to maintain separation of layers.

Bake in the preheated oven for 35 to 40 minutes, or until the center is almost set. Allow to cool, then refrigerate for 3 hours or overnight. Garnish with whipped topping before serving, if desired.

LEADERSHIP GIVING
EASIER THAN YOU THINK!

LEAVE YOUR MARK ON PUBLIC BROADCASTING.

Many thoughtful members have left their mark on public broadcasting by leaving a gift to KCTS 9 in their estate plans. These gifts ensure that we will be able to inspire a smarter world through quality programming in the future.

As one Legacy Circle donor put it, “Who you are is reflected by the decisions you make at the end of life.”

For more information on all gift planning options, please contact Scott Claeys at 206.443.6730 or sclaeys@KCTS9.org, or visit our website at KCTS9.org/legacy.

This is not professional financial or legal advice. Consult your financial advisor regarding your specific situation.

LEGACY GIFTS INSPIRE A SMARTER WORLD

Our success depends on your generosity. If public television plays an important part in your life, please consider becoming a Leadership Circle donor by supporting KCTS 9 with an annual gift of $1,000 or more, or a monthly sustainer gift of $84 or more. Your contributions allow our team to do some truly remarkable work, from producing local programs such as Wildlife Detectives to providing your favorite PBS shows, such as NOVA, Masterpiece and American Experience. These programs are possible only with the commitment of donors like you.

In recognition of your support at the Leadership Circle level, you will be invited to exclusive events, VIP receptions and private screenings where you will have the opportunity to meet PBS personalities as well as other passionate supporters of public television.

To give securely online, please go to KCTS9.org/donate. To learn more about KCTS 9’s Leadership Circle, please contact Kerry O’Keefe, Director of Development, at 206.443.6768 or kokeefe@KCTS9.org.

Nature Cat
Premieres November 25

This new series from PBS KIDS follows Fred, a house cat who dreams of exploring the great outdoors. In each episode, once his family leaves for the day, Fred transforms into Nature Cat, “backyard explorer extraordinaire.” Nature Cat can’t wait to get outside for a day of backyard nature excursions and bravery, but there’s one problem: He’s still a house cat with no instincts for nature. Like many of today’s kids, Nature Cat is eager and enthusiastic about outside activities, but is at times intimidated by them. With the help of his animal friends, Nature Cat embarks on action-packed adventures that include exciting missions full of nature investigation, “aha” discovery moments and humor, all while inspiring children to go outside and “play the show.”

COMING ATTRACTION

NOVA three-part series premieres NOV 4 | 9p
Mighty, elemental forces molded North America—fiery eruptions, titanic floods, the grinding of great ice sheets, and massive impacts from space all shaped our homeland. Hosted by renowned paleontologist Kirk Johnson, this spectacular road trip through a tumultuous deep past explores three fundamental questions: How was the continent built? How did life evolve here? And how has the continent shaped us? Making North America is the incredible story of a majestic continent.

Making North America
What will it take for us to bridge the growing divide on race and justice issues in Washington state? Taped September 10, the discussion features the following panelists:

- Mark O’Mara, CNN Legal Analyst
- Christopher Parker, University of Washington Political Science Professor
- Mirta Laura Contreras, Directing Attorney, Northwest Immigrant Rights Project
- Sue Rahr, Executive Director, Washington State Criminal Justice Training Commission
