Sister Ursula makes unpopular changes, but bound by a vow of obedience, Sister Julienne is unable to challenge her.

Home Fires Season 2 on Masterpiece
PREMIERES
SUN APR 2 | 9p

The moving drama hailed as “irresistible” by *The Wall Street Journal* returns for a final season. *Home Fires* follows the story of a group of inspirational women in an English village during World War II. As the conflict takes hold and the separation from their husbands, fathers, sons and brothers becomes more painful, the women rely on one another and on the friendships forged through village life. Samantha Bond (*Downton Abbey*) and Francesca Annis (*Reckless*) head the extraordinary cast.

The Great War: American Experience
THREE-NIGHT EVENT
MON–WED Apr 10–12 | 9p

Drawing on the latest scholarship, including unpublished diaries, memoirs and letters, *The Great War* tells the rich and complex story of World War I through the voices of nurses, journalists, aviators and the American troops who came to be known as “doughboys.” The series explores the experiences of African-American and Latino soldiers, suffragists, Native American “code talkers” and others whose participation in the war to “make the world safe for democracy” has been largely forgotten.

Craft in America: Nature
FRI Apr 21 | 10p

This new episode, “Nature,” celebrates the beauty and inspiration of the landscape, featuring Northwest artists Preston Singletary and Catherine Alice Michaelis, among others.

**Independent Lens: Newtown**

**MON Apr 3 | 9p**

A testament to a community’s resilience, Newtown documents the town’s grief and confusion after the deadliest shooting of schoolchildren in American history. But this film also shows how survivors have tapped hidden reservoirs of strength to make sure these children didn’t die in vain. Their journeys toward personal healing offer solace, while their efforts to be heard are making this a safer world for all of us.
